Summary of March 2014 Financial Statements

Income

For the month of March 2014, total operating income was \$72,026. Regular envelope offerings for March 2014 were \$68,651, compared to \$88,088 for March 2013. March 2014 and March 2013 were both five-Sunday months. **March 2013 included Easter.**

The March 2014 financial report reflects \$13,730 average weekly offerings in March 2014 compared to \$14,389 average weekly offerings in February 2014. For the month of March 2014, regular envelope offerings were approximately \$5,274 **less** than planned giving for March per the 2014 Ministry Plan.

The Finance Ministry Team will continue to review weekly giving reports and will attempt to respond appropriately as circumstances may warrant.

Expenses

For the month of March 2014, total operating expenses were \$64,938. This includes benevolence payments made or to be made in the amount of \$11,074. March operating expenses were \$8,373 **less** than March planned expenses per the 2014 Ministry Plan. Key variances were:

Pastoral Care Ministry - Salary, Housing, Benefits, etc. - \$9,142 **less** than planned (timing **plus** planned 2014 Associate Pastor call still in process)

Staff salaries, taxes and benefits - \$3,105 less than planned (timing)

Miscellaneous - \$1,365 **more** than planned (includes \$1,000 set aside for Call Committee Expenses) See Page 3.

Utilities - \$2,030 **more** than planned (mainly resulting from abnormally high heating costs) General Maintenance - \$1,824 **more** than planned (includes parking lot restriping **plus** \$1,000 added to Building Maintenance Fund) See below.

Mission Partners (benevolence) - \$693 **more** than planned (reflects completion of our **2013** pledge for support of Umoja Church)

<u>Financial Trends - Trailing Twelve Months</u>

The attached report includes a chart/graph depicting financial trends for three key financial categories (offerings, expenses and net income/loss) during the trailing twelve months. The peaks and dips reflect expected ebbs and flows over the past twelve months. While the giving trend has been essentially "flat", the expense trend (and, consequently, the income trend) has been moving in an unfavorable direction. Based on very strong response on Commitment Sunday (and subsequent), it is expected that the giving trend will improve steadily over the coming months. It is expected that actual expenses will approximate planned expenses per the 2014 Ministry Plan.

Cash Balances

At March 31, 2014, the bank accounts of FLC show a total balance in the amount of \$56,509, compared to \$41,624 at February 28. The Operating Fund balance is **positive** \$20,950, compared to **positive** \$13,863 at February 28. Total restricted funds are \$1,130 at March 31, compared to \$10,919 at February 28.

Building Maintenance Reserve

At March 31, 2014, this fund balance is \$10,985, compared to \$9,985 at February 28. The balance includes \$6,770 of insurance proceeds to be used in repairing damage sustained during the December ice storm. Upon recommendation of the Finance Ministry Team, \$1,000 was added to this reserve during March. To the extent practicable, additional amounts will be added to this reserve in the coming months until it is restored to an appropriate level.

At March 31, 2014, this fund balance is \$9,676, compared to \$6,548 at February 28. Upon recommendation of the Finance Ministry Team, \$1,000 was added to this reserve during March for ongoing Call Committee expenses. During March, \$883 of matching funds, net of tithe, were received from Thrivent Financial. Also, during March, Ash Wednesday offerings in the amount of \$1,245 were added to this reserve in anticipation of their near-term deployment "outside the walls of Faith Lutheran Church". Finance Ministry Team Recommendation(s) for Council Action

Closure of Stained Glass Window Fund

During March, decorative film artwork was purchased and installed over the existing sanctuary windows. Substantially all of the financial resources required for this initiative were provided from the Stained Glass Window Fund. As of March 31, the fund has been depleted and it should be closed.

Suggested Form of Resolution

Council recognizes that the Stained Glass Window Fund was established many years ago for the purpose of receiving designated offerings to be used in the installation of stained glass windows in the sanctuary. Council further recognizes that over the years since the establishment of this fund, circumstances changed and it was no longer feasible to install stained glass windows. By resolution, Council authorized the deployment of the available funds for the purchase and installation of decorative film artwork to cover the existing sanctuary windows. This project was completed in March and the available funds have been deployed. Accordingly, Council now authorizes the closure of the Stained Glass Window Fund.

Other Matters for Council Information

March Unpaid Bills Carried Over to April

At March 31, 2014, all outstanding invoices have been paid.

<u>Debt Service Program</u>

As of March 31, there are no available Capital Campaign funds. The fund balance is a **deficit** in the amount of \$2,475. The Finance Ministry Team has recommended that, in April, a payment of \$25,000 be sent to Mission Investment Fund (MIF) to cover accrued interest and a meaningful principal payment. **This recommendation is made with the faith that sufficient capital campaign offerings (net of tithe) will be received in April to cover this payment.** In the event there is a shortfall in capital campaign offerings, other resources will be required. Such resources would include the Operating Fund as well as other available reserves.

Recommendations of appropriate payments for May and beyond will be made as circumstances warrant.

Finance Ministry Team Action Items

During its December 15 Council meeting, Council delegated to the Finance Ministry Team various action items stemming from recommendations by the Audit Ministry Team. The Finance Ministry Team has reviewed and preliminarily discussed the various action items. Periodic status reports will be submitted to Council as the various action items are addressed and resolved.
